PARENT COMMITMENT

- We have read and understand The Cambridge School's distinctives as a school that is both Christ-centered and classical. We are in agreement with the purpose and philosophy of The Cambridge School.
- We have read and understand The Cambridge School's Statement of Faith and agree to demonstrate respect for the truths stated therein. We recognize that these truths will be unapologetically taught in various ways through all grade levels and all subject disciplines at The Cambridge School. We recognize that the substance of these truths is that which will be considered primary doctrine at The Cambridge School.
- We have made a thorough investigation of the school's program, curriculum, discipline, dress code, etc., and we agree to make them our glad-hearted choice for the coming school year.
- We understand that we have an obligation to be actively involved in the education of our children. We agree to uphold and support the high academic standards of The Cambridge School by providing a place at home for our child to study and to give our child encouragement in the completion of assignments.
- We will faithfully support the school through prayer and a positive attitude, and in keeping with Matthew 18:15, we are committed to giving a good report by sharing complaints only with the people directly involved. Unresolved issues will be taken care of by using the school's grievance policy.
- We understand that the standards of The Cambridge School do not tolerate profanity, obscenity in word or action, dishonor to the Holy Trinity or the Word of God, disrespect to the personnel of the school, or continued disobedience to the established policies of the school.
- We acknowledge that discipline is necessary for the benefit of each student as well as for the entire school. We give permission to the teachers and administration to make and enforce school regulations in a manner consistent with Christian principles as set forth in the Scriptures. We further agree that we will cooperate and discipline our child in the home as needed.
- We pledge that if, for any reason, our child does not respond favorably to the school, we will do everything in our power to cooperate with the school to help our child make the necessary adjustments. If these adjustments cannot be made, we agree to graciously withdraw our child.
- We understand that assessments will be made to cover damages to the school, including book damage and abuse of property.
- We will support the school through involvement in Parent-Teacher Conferences, Information Nights, Open Houses, parent volunteer activities, work days, and other school-sponsored meetings and activities.
- We give permission for our child to take part in all school activities, including school-sponsored trips away from the school premises.
- We understand and will punctually fulfill our financial commitment to pay for the educational services the school is providing for our child. We understand that report cards and standardized test results are not released if the account is in arrears for any reason.
- We, as parents of the student applicant, do sincerely give our pledge to the above items. We understand that failure of the parents or child to comply with the established regulations and discipline, parental commitment, or failure to meet financial obligation will forfeit the student's privilege of attending.
