About The Cambridge School

If you're looking for a meaningful vocation that seeks to form young people to live flourishing, eudaemonic lives while collaborating with thoughtful, mission-focused colleagues in an intentional community of faith and learning, The Cambridge School in beautiful San Diego, California, might be just the place for you!

We are a JK-12th grade Classical Christian school that is 18 years old and thriving. We are committed to equipping students to think well, love rightly, and live wisely through an educational model that is rooted in historic Protestantism and the best of the classical tradition. Our mission embodies a dedication to shaping students' affections towards the true, good, and beautiful by providing them with an education that is formative and not merely informative. While this is no easy task in our day and age, together we are faithfully seeking to cultivate wisdom and virtue in our students through our academically-vigorous and spiritually-robust community of faith and learning. If this resonates with you, please go to our school website at www.cambridgeclassical.org to learn more and apply!

Position Overview

We are looking for an experienced educator who shares our Christian classical commitments and has a background in science. The ideal candidate will be an enthusiastic and thoughtful educator capable of guiding 4th and 5th grade students through hands-on lab experiments and a robust, well-designed curriculum. This candidate should be dynamic so as to engage grammar school students and inspire them to wonder and be curious about the world around them. Organization and planning skills are also essential in managing various supplies.

Essential Duties and Responsibilities

- Plan and energetically execute lesson plans to maximize student engagement.
- Receive mentoring from Science Department Chair and/or lead teacher regarding the implementation of existing science curriculum.
- Collaborate with lead teachers as needed on student concerns or occasional scheduling issues.
- Provide feedback about student progress in a timely and helpful manner
- Must enjoy and work well with upper elementary students.
- Model the qualities and attitude of a humble, lifelong learner
- Maintain a healthy, respectful classroom environment that promotes the virtuous pursuit of knowledge and truth

Requirements

- The ideal candidate will have a bachelor's degree in biology, chemistry and/or physics, and must have basic proficiency in Life, Physical and Earth Sciences. An advanced degree in science and at least 3 years of prior teaching experience with a preference for those familiar with the Christian classical model is a big plus but not absolutely required.
- Good interpersonal, written and oral communication skills.
- Good organizational skills that lead to the careful planning and use of various science supplies in specific and detailed ways.
- Proven success in working collaboratively and communicating effectively with students, parents, and teachers.
- Alignment with our school's statement of faith and commitment to the school's mission, vision, and values.

How to Apply

Interested candidates are invited to send a letter of interest, resume, and references to careers@cambridgeclassical.org.

The Cambridge School is an equal opportunity employer and welcomes candidates from all backgrounds who agree wholeheartedly with our Statement of Faith and our articulation of our mission.
